COMMERCIAL LAUNDRY

# Launderday App

Commercial Laundry Equipment

# Modern Laundry, Built for Business

Launderday brings a seamless payment solution to every GE-vended unit. No coins, no hassle, just a better experience for your customers and your bottom line.

## The Launderday app delivers a seamless payment experience that is:

### Easy to Use

QR code scan to start, track, and pay in seconds

### Convenient

App-based cycle status and notifications

### Seamless Payments and Refunds

No coins to collect or card readers to maintain

On-site WiFi required.

## How it works:

### 1. Access Launderday:

Customers find an available unit, download the Launderday app, and add a payment method.

### 2. Scan to Activate:

A quick QR scan connects them to the washer or dryer, and they select settings on the machine.

### 3. Press to Start:

Customers load their laundry, detergent, and press START to begin. Payment is automatic.

### 4. Get Notified:

Customers receive a notification when the cycle is done.
